The diagram illustrates the spatial relationship between three areas. At the top, a blue dotted rectangular area represents the **Zona de Servitud C-31**. Below it, a larger blue rectangular area represents the **Servitud Canalització de gas (ENAGAS)**, which overlaps with the top area. At the bottom, another blue rectangular area represents the **Zona Afectació C-32**, which also overlaps with the middle area. The bottom-most boundary of the ENAGAS area is labeled **100m**, and the bottom-most boundary of the C-32 area is labeled **20m**.
